

# Brexit: what's at stake for the Dutch and UK fresh produce sector?

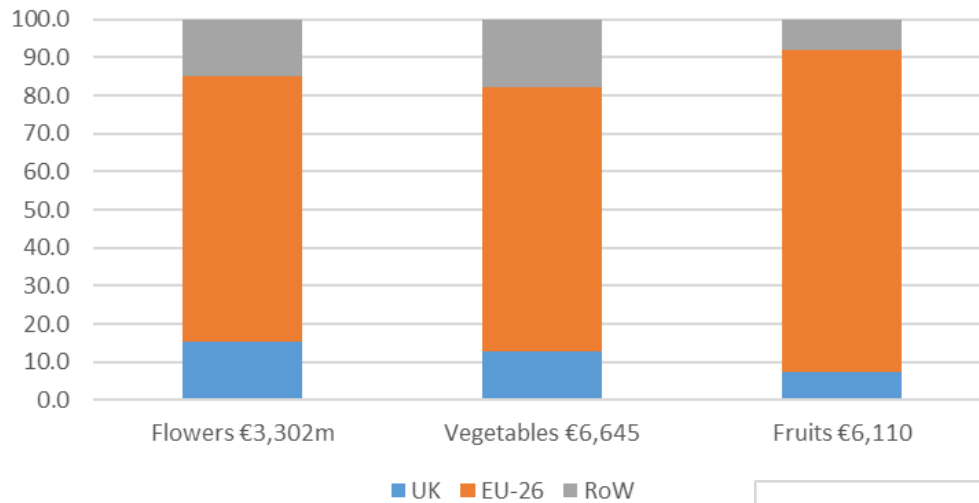

A kick-off

Siemen van Berkum, Wageningen Economic Research

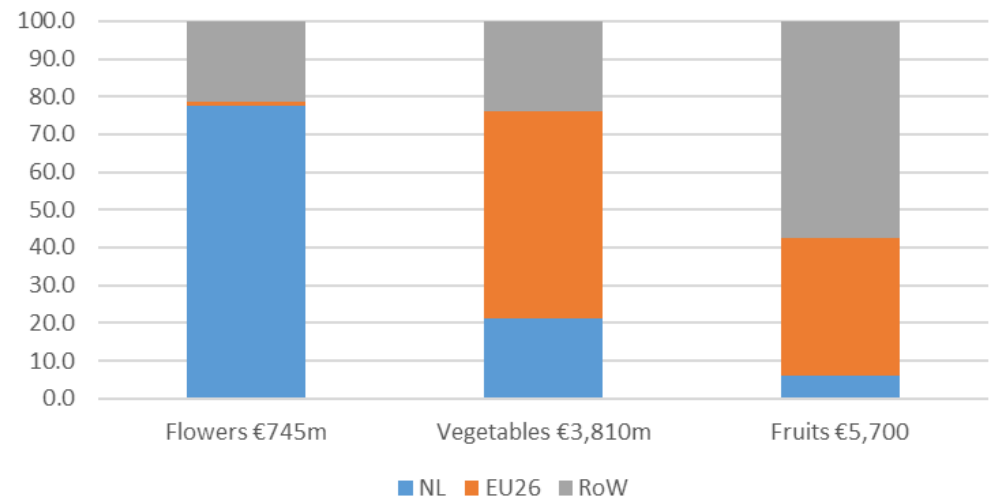

# Current trade relations

## NL exports of FP

## UK imports of FP

# Issues at stake

- From Dutch perspective:
  - Trade interests call for open borders and smooth trade procedures after Brexit
- From UK perspective:
  - Position of temporary workforce from other EU countries
  - Propagation material: import dependency and plant variety rights approval procedures
  - Trade relationships with EU and third countries
- Common interest: prevent divergence in standards
